

**Speechless**

@SpeechlessShow

If you need glasses, be prepared to toss them aside. If you wear fake glasses...no need to change your behavior. [goo.gl/AFLfHf](http://goo.gl/AFLfHf)

### **Forget Glasses. Soon Your Computer Display Will Correct Your Vision**

Display screens that alter themselves to meet your eyeglass prescription mean that your spectacle days may be over. Unless there is something that's...
