

# NATIONAL STATIONERY SHOW

May 19th - May 22nd, 2013

## PREDICAMENT

How do you acknowledge that your friend seems to have a little less junk in their trunk?

## SOLUTION

We have a card for that. Really.

## PREDICAMENT

Single friend. Valentine's Day.

## SOLUTION

Give them our special singleton Valentine's Day card.

## PREDICAMENT

How do you let that special someone know you think they are the bee's knees?

## SOLUTION

We love crushes. We like them so much that we made a card for that.

## PREDICAMENT

You love trees. But you also love sentiment in card form.

## SOLUTION

You are in luck. We also love trees. And our cards are made from 100% PCW paper.

## SOLUTION

We hate having to say we're sorry. So we made a card for that, too.

## PREDICAMENT

You screwed up.
